“ Mitzy & family, so very sorry to hear of Charlie's loss. He was such a wonderful man. I remember going to trade when he ran it and we had such a good time. He would point out anything and everything to us and of course, we bought just about everything he pointed out. Good memories for us and we pray for you and the family during your time of sorrow. Know that you are loved and thought of often.

“ Dear Loved Ones, You are in our thoughts & prayers just now - thank you for sharing your husband, father, brother, grandpa and friend with us all these years. My favorite memory is from CBLI 1971 - I was in his drama class and performed in front of the whole camp! I was so nervous at 18 years of age; he patted my hand and said, 'Now, Cecilia everything will be OK, God is going to bless our play tonight!' That's all I needed and he's being encouraging our family ever since! Thank God for our friend, Major Charles Moffitt! Enjoy heaven and save a place for us - we love you!

“ Major was such a loving and caring man who inspired so many with his example of strength through much adversity. Even with the many physical challenges he had, he always displayed a strong faith. He trusted fully in our Lord and now that trust has been realized. I thank the Lord for Major Moffitt and for his kindness to me and for his example.

“ I was fortunate enough to have Charlie as my boss while I was stationed in the Trade Department at THQ. He was a wonderful, compassionate man who was also fun to work with, as well as a spiritual leader, even while stationed in what many thought of as a "non-spiritual" appointment. His concern for others was always obvious. As a single officer, he and Mitzie made me feel as if I was a member of their family. This was a very precious gift that I will always cherish. Thank you Charlie for the blessings you were in my life.
