“ I am very sorry to hear Jodie passed away on Monday. I worked with Jodie for 20 years at Napa, when you work with someone that long you get to know them pretty well, no doubt he was a great guy! We had many good laughs together and shared a few cold ones once in awhile! Steve Lawson was one of his best buddies who also worked for Napa. Steve passed away in 2008 and I know how bad Jodie felt. No doubt the two of them are having a cold one together once again! He will be truly missed... My sincere sympathy to your family. Sue Gillette, Machesney Park, IL

“ I have a memory of my last phone conversation with Jodie which was the summer of 2014 when I told him of our troubles with a custody battle for our granddaughter. He was understanding and was definitely on our side on the issue. I also remember him when he was very young and carefree and laughed easily. He had a wonderful grandmother who spent so much time with my niece and nephew. He worked hard at his job. He has found the peace that eluded him in a life that was often difficult for him and his family. Kelly Noble Aanrud Amherst Junction, WI
