“ My mom and dad, Bob & Ellen Ellison, were friends with your parents in Desert Hot Springs as they both live in Vista Montana (Quail Hollow). You may remember my parents as they were from Rockford and would visit whenever they were back in Rockford. My mom passed away in 2005, so it would have been before then. I would go to the desert and visit my parents quite often, so I got to know your Mom. Mary Ann was always so much fun to be with, a good friend to my parents, and a kind and delightful woman. Our deepest condolences to all of your family.

“ I remember driving to Rockford when I was around 9 or 10 to visit your family and driving home with Lady, a beautiful, smaller, mixed, mostly German Shepherd dog scrunched in the back seat with 4 of us kids (smallest, Larry in front seat with Mom and Dad, and I think Mom pregnant with Lynette...). I hadn't known when we went that we would come home with a dog. I was mildly terrified, because when I was 5 walking to kindergarten I got bitten by a large dog that roamed one of the streets I had to walk on to get to school--he bit me on the face, just above the eye, eyelid, missed my actual eye, and punctured just below the eye and down the side of my face. Mom had to walk me to school for the next week, looking for the dog, which, thankfully, had its shots, and asking the people to please keep the dog in while kids were heading to school. They didn't and I had several other terrifying encounters with the dog chasing me. I wound up figuring out I could get to school by going way around the other side and avoiding the street he was on. Long background to a LONGGGG ride home in a very close space with a totally unfamiliar dog. She wound up being a beautiful companion, protector, irritation (wouldn't come if she got out), and the last time I was afraid of dogs. Your Mom and Dad trained Lady--she could do several tricks, was gentle, well-behaved (well, except for the dash for freedom flaw), and I remember your Mom trying to get me to pet her and make friends while we were still at your house....
