“ Jeffrey, Gina, Joey and grandchildren,

I am so sad for all of you. Mom (Aunt Dorothy) was so pleased when Rosemary contacted her earlier in the year. Mom spoke of it often. I know Rosemary had wanted to come to Mom's 90th birthday party. Now, she will be with us in spirit. One of my special memories is Rosemary's infectious laugh and her ability to make people smile. Also, when she spoke to me, or referred to me in a conversation, she always called me "Kay Marie," it was never just "Kay." The thought and memory makes me smile. I hope you are all doing as well as can be expected; please know my thoughts and prayers are with you during this very difficult time.

Your cousin,
Kay (Halvorson) Stewart

“ I was so saddened to hear of Rosemary passing. She was definitely one of a kind! Very funny, witty and an all around beautiful lady. Rosemary was a hard worker and dedicated to her family and friends. I had the honor to go to Cancun and St. Maarten with Rosemary. You can only imagine the great fun wonderful memories I have with her!!! RIP my dear friend. You will be greatly missed. Raquel

“ Rosemary had a big heart!!! It was filled with joy for her kids and grandchildren. I know she is with the good Lord in Heaven and making so many people LAUGH! I remember one time the two of us were in my car and she had me laughing so hard that I almost missed a light ...and the car behind us honked the horn and of course she had something to say about that....so i laughed even harder. Another time I took her to a doctors appoinment (which was at OSF) but I drove her all the way to Swedish American Hospital and she didnt say a word until we pulled in the parking lot and she said " are we on a hospital tour today?" because I was at the wrong hospital. I laughed almost all the way to the other hospital. Rosemary loved to cook . Everytime you went into her home she wanted to feed you which was fine by me. She was a great mother and a awesome grandmother. My heart is heavy ...and all my love for you Jeff, Gina, Joey, Patty

“ So, sad to find out this beautiful, funny lady has passed. I love Rosemary, she was so much of my childhood and made us group of girls feel so loved! She would be tough but still make us laugh so much. A piece of my heart has went to heaven and will feel blessed to have been a part of her life for the time I was allowed. Just know I am thinking of you Gina and Jeff. My heart goes out to you both! Love Jamie Rogres
