“ I remember her as one of my teachers at Church School in the 1960s.

“ Just wanted to say that I am sorry to hear about Jane's passing. Before teaching with her I also played tennis with her. I was lucky to have known her in more than one capacity! I know she will be missed.

“ I knew her as Jane at Cherryvale place. I was looking for a place for my Mother and Jane was one of the first people I met. We gave each other hugs when I came there to see Mom until the virus cut that short and by then Jane was upstairs. I enjoyed my visits with Jane and she always had something to tell me. I'm so sorry for you loss...my prayers and thoughts are with you. Bonnie Shields
