“ To Christina (Uwe) Ebert: Hello Chris. I send condolences to you and your family on the passing of your father. I know you will miss him. I have not seen you for a long time; I have warm memories of our years together at Guilford and other times.

Right now I am in my same home on North View Road. I work diligently at decluttering my house but it is a slow process.

I don't know if your have heard how very ill Carol Freer is-a very serious illness for the past four years. She has spent a lot of time in Northwestern Hospital in Chicago, but now she is spending last days in her home under the care of Hospice. So sad.

Maybe when this Covid is over we will be able to see each other. Blessings. Diane Conklin

“ My dear friend Alan,
I'm sorry to hear of your father's passing. He sounds like a strong, loving dad. I can so see you when I look at his picture. May your strong faith and loving family and friends sustain you as you grieve. I love you and will keep all of you in my prayers. As mom would sign off, "Love-n-stuff," ~Dawn DiVenti
