“ Amy was my very first friend when we were very little living on California Road. We were inseparable. I have always kept tabs on her throughout the years, and thankfully through the joy of Facebook we reconnected again a few years ago. May you rest in peace, Amy. And to the family, I'm so sorry for your loss, and may you find comfort in friends and family at this time. I'm so grateful I got to be a part of a chapter of such a wonderful person!

Please don't ever forget that you will be with her again some day and she will always live on in your hearts. God Bless you both on your life's journey.*
