“ I knew Anna as a patient at a local medical clinic. I know of her families care & concern regarding her health & well being. They did the best they could to meet her needs and honor her as their mother. She was a spirited woman and I am sure that she will be missed.... May God grant the family comfort & peace in this time of loss.

“ I am honored that I knew and served you. I sure miss tucking you in at night my friend. The lights are off, you are tucked in warm. I am sending you a hug and a kiss until we meet again. I love you. Annabelle would say, "Don't forget to hug and kiss Patty". Sending you hugs and kisses Patty, Linda and John.
Your nurse and friend.
