“ One time we tried to convince Ori that a "creeka" was a little river. FINALLY we got him to say, "Si, me gusta creeka."

*He got mad when we busted out laughing.*

*I remember this. He told me about it, he was so tickled. I read this and can still laugh out loud.*

“ Ori was always on the go. I never knew what "diligencias" were until I met Ori.

“ Tio Ori used to say, "Mira este Titi. Tan chiquito que viene un viento y VOOOP se lo lleva!"

*Then I came back from the Army. Then he would say, "Cono, mire ese Titi. Si es un mosntro!"*

*I loved impressing him. I knew I accomplished something when I did.*

“ I will miss my uncle very much. I'll always remember as a little girl he baby sat for me, walked me to school and when it was really cold he'd rub my hands together to warm them up after the long walk from school. When I was going through my divorce we talked into the later hours of the night and he gave me advice.

*He was a good son and loved his family very much. We'll always remember him and have him in our heart.*
