“ My thoughts and prayers are with Barry's family. The thing that always has stood out to me about Barry was his fantastic smile. It was an infectious smile that was always ear to ear. RIP Barry. You will be missed and never forgotten.

My entire High School and teenage life was filled with Barry. Walking to class, every school dances, school events, class rings, Prom, late nights at the radio station, everything.....my ENTIRE life was about the boy named Barry Klinger. He taught me some valuable lessons about life and love. Even though we chose separate paths later on, I will always love that boy and the special time we shared.

Remember the red cutlass and the speakers that consumed the entire back seat? His true pride and joy. And to this day I still use a radar detector and keep it "under 10 over".

Barry working at K-Mart, cruising down town Freeport, those black curls, big smile (such a cutie) and lots of laughs.

Judy and Joe, you has so much to be proud of. I thank you for sharing Barry and your home with me all those years.

I pray for you and your family, that God will heal your broken hearts.

Rest in peace....

Blessings and Love,

Patty
