It's been a long time, but do you girls remember when we went celebrating Ginger's first anniversary at a bar in Marysville, and we ended up line dancing. We even took Grandma. Good memories

“ *Bev and I were friends way back in the Top Hat Days. These last 10 or more years we spent a lot of time together.*

Bev brought me to the Lord and Grace Family Church. I'm glad for her freedom of all pain.

We'll be together again soon I hope. As you told me "The Lord is coming back. Do your usual for Bruce" I'm here you lucky guy" and his response I hope is 'Welcome let me show you around.'

I miss you Bev and I treasure our times together. Save me a room in Heaven in the mansion.

and are in the company of all the Angels and Jesus Christ ourLord.
I hope you greeted Bruce there as you Did here "I'm here you Lucky

“ Spending weekends with my auntie and favorite little cousin, Kelly, were a highlight in my childhood. I remember walking with my cousin and my auntie walking behind us, and I overheard her say, how much me and Kelly looked alike. I loved that thought.
