“ I am so sorry to read of Bruce’s passing. I remember how often in a hot day in my vineyard, Bruce would come by and we would have a visit about the weather, or some other topic, or he and Dylan would come driving down just for a chat along with the dog whose name I never new.

I still have a gift from Bruce, a ceramic jar and lid made in the shape of a grape cluster. It sits on my bookcase and it never fails to remind me of him.

I am not particularly religious but I do pray and I will certainly remember Bruce when I do. We extend our sympathy to all of Bruce’s family. Bob and Carolyn Conboy
