“ Mike & Mary - It is with profound sadness that I am writing this...we just found out about Callie's death a few minutes ago. I can't imagine your pain & I know there is nothing I can say that will lessen that pain. I know it's been way too long since I've spoken with you, and I'm going to try to call you in the next day or two....I'm not sure I have your current phone #, so please, if you don't hear from me, please call me. We are at the same # & same house that we have been at since forever. And we are still in the phone book. Mike & Mary, both Dick & I are so terribly sorry for your loss...these words seem so hollow...there are truly no words to convey our sorrow. May God wrap His arms around you & give you some measure of comfort. Love, Dick & Pat
