“ Mom - I miss you already. Thank you for being such an amazing mother and friend. I will never forget our long talks, long shopping trips, and long bookstore excursions. We never did anything halfway.

*I love you so much, and will always appreciate that you let me be me. You never judged me, and were always so happy for me. You believed in me always - and taught me to believe in myself.*

*I feel like the luckiest person in the world to have had you for my mother. Nobody could have loved me more. You brought joy and sunshine to my life.*

*My life will not be the same without you. You will always be in my heart and my soul.*

*Love you always,*

*Johnna*
