“ *Chuck was a great man who will be missed by many. He was kind, caring and very giving. I knew Chuck for many years but never met him. We talked a lot over the telephone and had a lot of laughs. I'll never forget him. RIP my friend. You are now home with the Lord!* ”

“ Chuck as I've always called him was such a caring man to all he was around. My deepest condolences to Chuck's family on your loss of Chuck who passed on to Heaven way too early. He was such an inspiration to many with his positive attitude to always do your best. His photography such as with Eagles was fantastic. I consider it a blessing that I was able to be a small part of his life beginning when he was inducted as a Cedarville Lions Club member. His heart was always to serve people the best he could which showed in everything that he did since I had the pleasure of knowing Chuck... Truly a man that will be greatly missed by many! R.I.P. I loved Chuck very much. He was special to me. He enjoyed the surprise birthday party I shocked him with at our Church. He loved the chocolate covered strawberries I would bring occasionally as a treat on Sunday morning to Church. I will love him forever. He was good Godly man. I am so happy he was a part of my life and still is.
