“ Chucky was my cousin. His mom (your grandma) aunt Babe and my mom Florence were sisters. Chucky was always so proud of his son Champ who was loved by everyone! So sorry to hear of your loss both of your parents in such a short time. May God be with your family during this sad time. I am sure Chucky is in heaven and very happy now.

“ Your Dad is my first cousin. When I was around 10 years old we lived across the gravel road from each other. My brother Larry, Bill, Chuck and myself were best friends. We had fun playing in the fields with our dogs running ahead of us. We would catch big spiders in jars, catch snakes and pin them to barbed wire fences or play cowboys and Indians. We rode our bikes up and down the gravel road. We would go in the barn and get pigeons and build cages for them. We had them trained to fly into a tree and back to us. We were all dirt poor, but we didn't know it. We made our own fun and had lots of love for each other. Your Dad was the oldest and he really looked after us. He was a great guy. He was one of the most calm and gentle people I have ever known. I know he is with all the Harts in Heaven and enjoying that great meeting up with all the loved ones gone before. I know Grandma Lu Hart is very glad to see him. She loved him dearly. Please find comfort in knowing your wonderful Dad is in a good place with The Lord and is very very happy. He above all deserves a special place in Heaven.

*With sincer sympathy to you all.*
