“ We grew up together literally. Through elementary school and high school. We stood up for each other at our marriages. Cindy was beautiful inside and outside. She is truly missed.

“ I only recently learned of Cindy's death because my schedule has changed. I was able to be with her at the beginning of her last stay; I sat with her because no one else was there at the time to keep her company. This is a beautiful picture of her, one of many, I am certain. May the pictures in your albums, your mind, and those in your heart comfort you, May all know peace. -- Chaplain Marcia
