“ Dear Susan,
I saw the obituary when a friend of mine was leaving a message for another man who was recently deceased. My deepest sympathy goes to you and your family. I was a bit taken aback to see that Nicole was married. My, how time flies. May God hold you in His loving arms and comfort you at this time of loss. I'm sure you will feel God's comfort as time goes on and I pray that your heart will heal quickly. Feel free to e-mail me any time.

“ I am so saddened this morning after learning of David's all-too-soon passing.

David and I shared many memories at The First Congregational Church in Eau Claire and through our activities in Pilgrim Fellowship and we graduated from Memorial High School in 1958. We were in the same homeroom for four years.

His great smile and pleasant manner is something I will always remember--a genuinely good guy. I pray that his passing was peaceful and that all of you family members will cherish the memories you have, which will endure forever.

My deepest sympathies to all of you,
