“ *You are my favorite uncle! You left us all way too young and we miss you already. When you joined our family you changed everything! You were a Dad & Papa to kids that needed one and a wonderful husband to my Aunt! An amazing Godfather to my son and a great friend besides Uncle! I'll always miss that fun banter between us and the way you say that I'm way older than you! I'm only 1 year older. I will miss you terribly!
Love your favorite niece 😊,
