“ I am so sorry for your Loss. He was such a nice guy. He always would talk to us whenever he saw us. He won't be alone where he's going. Almost the whole neighborhood should be there with him. He's smiling down upon us now. God Bless, Sharon & Howie Ware (Goodrich)

“ I remember going to the Nozzi's house with Mark and Dean was always in the back yard hitting plastic golf balls, usually into a wheel barrel. Then they would invite me to stay for supper. They always had the best Italian food at their house. Dean always treated me well.
