“ Tina, Butch ,Teresa ,Laurie...this is aunt Susy. I just received this in my email from Linda's husband, Ron Betts.

I am here with an open heart and ear for any of you if you want to talk.

I remember the friendliest, good hearted brother in law of mine that I shared many fun and happy times with. Just babysitting for ya'll and getting to spend weekend nights was the best it could get for me.

I know beyond a doubt that all his cares and worries are GONE over death triumphant NOW that he is in the glorious home he always wanted, the bliss of heaven, the most caring, loving person , Jesus Himself, has given my brother-in-law, Don, MORE than he was looking for or could of ever even imagined or thought about getting here. All things are new in heaven...He is enjoying his dear sweet wife, my sister, Sandy, and his mom and dad and so many other loved ones of his that have gone on before him. What a reunion is that? THE GREATEST! And...the grave was not the end...we shall meet again and never part! God saw his heart and took him home sweet home! That's what I personally know about the God I serve.....Jesus is real, and so is heaven...I got many a glimpse. I see him smiling NOW. THERE ARE NO WORDS HE CAN SPEAK ...doesn't need to...even the awesome silence in heaven is golden. I SAW HIM WITH THE EYES AND HEART OF GOD...THE WAY He alone sees us!

Yet,. the loss of a your dad is bitter-sweet! We are human. My prayers are with you all. May the Holy Spirit comfort you like no one else is able. My phone number is (815) 592-7025 IF you ever wanna just spill out AND, or talk to me. I am tenderheartedly touched and feel your loss...Love you very, very much! He was one of my favorite and the coolest! Love, Susy
