“ Mom, it been 8 years. Still missing you. It has been crazy. But I love it out here at dad's. I'm finally at peace out here, it's amazing. There is nowhere I would ever want to go...Now I know why Dad never left...It's a lot of work but it is soo worth it. I have my Grandbabies back too, and life is good. Love and miss you soo much. “ Mom you're one of the hardest fighter I know.being in three different hospitals for almost 6 mo.it was nice you got to come home.and enjoy you're family and food. And I don't know anyone with a heart of gold like you're s you were the best mom and my best friend. And I'm so happy you got to come home.and we were there for you're last breath.it wasn't easy but we know you're at peace. It's so hard not to call you on the phone .and I loved drinking all the beer with you.you would have a few sips and I would drink the rest .and then you would wake up and the girls would say I drank it and you got so mad so we would do it all over again.I'm so thankful you were my mom.and I know you're with aj.and everyone we loved and lost.I love you ?????
