“ *Eli, you were so loved the minute you entered this world. I remember excusing myself from work to call your Uncle David back when I'd realized you'd finally made it here. I then spent the rest of my night...week...even month showing off picture after picture of you. I will forever cherish every memory of you that I have. We were so blessed to have you in our life for the short time you were here, and I am so grateful that I had the chance to hold and see you as often as I did. We will miss you and love you forever, Eli.*

“ To Our Greatgrandson we have only known you for a short time. In that short time that we have known you ,you have touched our heart in so many ways. You will always be in our heart we will think of you always. You have brought extra smiles to our faces and warm feelings in our heart when ever we got to see you. We will always have loving memories of you and think of you always. We will miss the joy of holding you in our arms, but will always hold you in our hearts.

“ *Tiny Angels rest your wings
sit with me for awhile.
How I long to hold your hand,
And see your tender smile.
Tiny Angel, look at me,
I want this image clear....
That I will forget your precious face
Is my biggest fear.
Tiny Angel can you tell me,
Why you have gone away?
You weren't here for very long....
Why is it, you couldn't stay?
Tiny Angel shook his head,
"These things I do not know....
But I do know that you love me,
And that I love you so".*

God bless the family.....ILB Rachel Brewer
