“ *Uncle Erwin filled my heart with joy when we all reunited at this years family reunion. He was happy to know that we - myself, Husband (Darrel), and brother, James were doing well. He spoke with my husband about the sanctity of marriage and the news of our union met him with great happiness. In one stage of our lives, we had been the children and he loved us all dearly. We were all grown up now, and he was so pleased to see that we were all doing well in our lives. Missing my amazing and loving uncle,*
