“ *Its still so hard walking into work. I was so use to walking around the corner and seein felipe standing next to the grill and then i would walk up to him and try to box him and he would ALWAYS instantly box me back. I fear, walking into work. because i know, that you are no longer here. And i no longer have anyone to box at work. :)
 Wonka, i just want to thank you for being who you were, you loved your family, cared for your friends, took care of sandy, and LOVED your son unconditionally. I thank you for that. Always loved, never forgotten! I love you wonka! - Cassie Bishop*
