“ Terry and family of George - I was shocked and deeply saddened when I read about George in the newspaper today. Please accept my condolences for your loss. George was my first supervisor as a summer seasonal worker at the Forest Preserve District of DuPage Co. and inspired me to pursue a full time job there. Because of his guidance I have continued on with my career at forest preserves and after 30 years have obtained an Executive Director position with Winnebago County FPD. After George left FPDDC I ran into him several times and enjoyed having lunch with him. I always enjoyed his sense of humor and company when I worked with him. Mike

“ Terry and family - words can not express the sadness I feel for your loss. I had the opportunity to work with George at BP and appreciated him and his humor. He had a direct, no nonsense approach to things and dedication to see things through. George touched my life in the retail market and in other areas of BP. He will be missed. Barbara
