“ I am sorry to hear of Greg's death. I worked with Greg at Rockford Midland for 13 years and I always got along with Greg just fine. The one thing I will carry with me about Greg is the fact that he took care of his daughter and did the best he could to provide a home for her...something many men would have turned their back on!!! RIP Greg Horner!!!

“ I cant believe your gone dad. I love you with all my heart and will never EVER stop. Here is to you the man who raised me and gave me everything i ever needed in life...

Daddys Little Girl

If I had my life to do over,

I'd have chosen you to be my dad

once more.

Even if it meant losing you again,

It's worth all the tears in the

world.

You were my sunshine when skies

were gray.

I loved you and honored you;

You took all my tears away.

I was happy to be with you,

Proud to be your little girl.

Sometimes we would argue,

But to me you meant the world.

Your love was always pure;

You treated me as your own.

Your time seemed all too short and

I feel so alone.

What can I take from this?

My heart is completely crushed.

But nothing loved is ever lost -

And you are loved so much. Greg Horner
