“ *I remember when I was just a young kid, I'd come to the races with Dad. If "Main Stay" was in to go, Helen and Russ would let me braid his fortotop.....that was the greatest thing since ice cream at that time!*

“ *I knew Helen for a brief period in my younger years when I was on the road with harness horses...but she was one of those people you never forget. My best memory was when Helen had Noble Jade in Lexington at the Red Mile and I was stabled right next to her. What fun she was...always a smile and a story. RIP Helen Penny Perrin*

“ Helen spoke with an adoring, loving pride about Carol and Steve to anyone with a moment to listen. She was utterly devoted to them, but also to the rest of us who knew her as Momma Helen. Countless horsemen and horses owe a debt of caring to Helen, a truer friend than any I have known.
