“ *Uncle Jack will be missed. He and Aunt Ruth used to come to Chicago to visit and we would go out on the town and have a great time. I would go to Rockford often when the boys and my girls were young. I have so many good memories of Uncle Jack and aunt Ruth. My condolences to you boys and your families. Love Shelley (Mccarrick) Paris.*

“ *I remember fondly time spent with him and Brad upon my return from an overseas tour of duty. He always combined a sharing of knowledge with a well deserved dose practical joking. Rest In Peace Sir, the world has lost one of the good guys.*
