“ I remember having a Sunday lunch at their house. Grandma had made lasagna, she was always the last to sit since she was always grabbing last minute items for the table. Grandpa was trying to dish lasagna out of the serving dish and had asked grandma for 2 bigger sizes spoons. I guess it was the 3rd time that he was having trouble, look at grandma and said "dont you have a big spoon"? Then we heard it "what do you want, a shovel!" We all kinda froze, since grandma never snapped like that before on grandpa, at least not when any of us were around. I knew Ryan, mom and I were chuckling cuz grandpa didnt quite know what to say to that! Clearly, I will NEVER forget that! They day grandma put her foot down on grandpa over a lasagna serving utensil! #priceless
