“ I took care of Jan through Help At Home in Rockford. She was my friend and became like a mom to me. We spent many days laughing together and we enjoyed ach other's company. She was always so bubbler, happy and positive. Her beloved cat Izzy, went to my other lady I care for and is in a good, loving home. I will miss our talks, laughter and our visits. April M.

“ Janet was my best friend in my early school years at Monroe Center. We did slumber parties & shared friends right on through high school at Stillman Valley. She was always so gracious & loving. Lost touch these last years but I grieve at her move to heaven. She was a believer in Jesus so I know she's there. Love & prayers & comfort for her family.!
