“ I knew Jean as she volunteered at St. Anne's when I was part of the administration at least 10 years back. Jean was a wonderful person. She spent hours of her time helping in the gift shop and visiting residents. What a caring person. I will add her to my daily thoughts and prayers.

“ Our neighborhood has lost our beloved Jean. We will always miss her. She was one of the kindest people you could ever meet.....always so welcoming, loving and caring. She loved all of her neighbors and we loved her back.

Jean would sit on her front porch and soon she would be joined by someone....or two....or three! The children liked to be around her. She gave them little treats along with a little advice once in awhile.

She told me recently "you know I didn't make fruitcakes this year". I told her the ones she made last year were the best she had ever made, and I meant it.

Bill and I extend our sympathy to her family.....they had the best!

Rest in eternal peace, Jean, until we meet again.
