*Sending healing prayers to all of Jean's family. She was my mom's cousin, Barbara Johnson Wood. I remember her fondly.*

“ *I met this beautiful amazing person a few times over the years of knowing Elizabeth. She meant a lot to her. It was such a pleasure to know her. I met her for the first time when she was in the hospital, while Elizabeth lived in Colorado. Elizabeth told me she was sad because her grandma was in the hospital. So afterwork I surprised them both. I took Jean flowers, a card, and myself as a hug from Elizabeth and Jack. I went in the middle of the night to her hospital after work (at the time I was a 911 dispatcher). To this day Jean always remembered me as the police officer who came to visit her with gifts in the middle of the night and scared her. She didnt know what was happening but we called Elizabeth and all was well. My favorite memory and since than I have become a police officer. She was a gentle soul, and I loved hearing stories from her and her husband about life. I am glad she lives a beautiful long life. And so happy she had so many people love her. May she rest in peace and enjoy heaven!*
