“ Jeff met this crazy girl I had work for me. Neither of us knew she was crazy. Lol..after that we spoke on the phone a few times n became very good FB friends for 7 years. He was like a brother in a way.We always joked. I miss him already. His passing took me by surprise and I'm still very sad. I will miss him. RIP my friend...

“ My entire childhood was spent between 3 houses. Jeff was a wonderful father, to his kids and any kid around too often. I remember going to his house after school to play with brooke and getting in trouble so many times for not going home to tell my own mom where i was. Im so sorry for the family. I know he ingrained himself deeply into my heart, i can only imagine how they feel.
