“ You are very much missed in the pool John. At least I won't have to do the 8-25 yd. flys on the 30 seconds (that I never made anyway). Thoughts and prayers to Virginia and the family.

“ So sorry for your loss. I grew up with John and his siblings as we lived across the street from each other. I always thought of him through out the years. He was always a very kind person.

“ Virginia, Michael, Michelle & Family,
Sending heartfelt condolences on the passing of John. We remember running into you a few years back and chatting in the parking lot at Walmart, so wish that hadn't been the last time. Roger remembers swimming at the Masters competitions and always had a great time. Hold your memories close as you navigate these difficult times ahead. Thinking of you and sending a BIG hug.
