“ *Dear Clarice and family,
I was so sorry to hear about Karl.
It was a pleasure knowing him...he always had a smile on his face when he came in to the store.
He would stop at the door, look my way, and wave.
I always enjoyed helping him.
Barb is a receptionist at my Dr.'s office...I would always ask how you guys were and told her to say hi to you...
You're a special family.
With sympathy,
Janice Gagliano (from Walgreens)*
