“ *Our little Bible Study group met on Thursday afternoons at Heartland. We could almost guarantee an electronic issue. In would come Kevin and hop up on a table and adjust equipment so we could have our study. What a legacy that everyone loved Kevin and all knew him as a man of God. He was a blessing to all who knew him. My sincere condolences to Barb and family. God Bless All.*

“ So sorry to hear about Kevin. I remember growing up and traveling down the gravel road to the farm just south of Holcomb, Then his family built a new home just west of town. I remember him bringing a coffee can of new born snakes to class, I am thinking this was around 4th grade. I think they turned out to be rattlesnakes. Lol. I remember eating pudding cups in his basement until we were sick, and the day he got his new blue Camaro. He was so proud of that car and it was really a nice ride. Condolences to the family and rest peacefully Kevin.

Barb & Family,

We were very sad to hear about Kevin. He took SV senior pics of our daughter & son. One day Kevin came to my house & surprised me with pics of our daughter playing her flute in SV Band. He captured her love & joy of music. We will always treasure these pics & the memories Kevin created!

He was a true blessing to everyone his life touched!

We are praying for God's peace & comfort to surround you.

Sending hugs, Mark & Kim Van Buskirk
