“ Alex and Cid , I wish I had some special words that could sooth your heartache. The truth is no one could ever understand, unless they have been though such a loss, My best advice is: to hold those you love close, let them help you through this. Hold each other, find strength in your love for one another. I love you Alex , may God ease your broken heart. I here if you need a shoulder , 💜💜

“*Unfortunately, I never had the chance to meet little Kingzley, however I followed his daddy, my nephew, and his mommy on Facebook. Just by all the photos and posts, it was 110% evident that this little guy was loved and cherished. Alex and Cid, words can not express how sorry We are for your loss. Many hugs and much love to you... love your Aunt Traci & Uncle Mark.*
