“ *Kristy was Bryna's counselor at Girl Scout camp and they were fast friends...Kristy came to North Central College and majored in biology. She was an outstanding student and was very involved with co curricular activities. Additionally she was a Girl Scout leader in Naperville for several years to Bryna's troop and was such a positive influence on the girls...camping and leading the girls in outdoor activities...we loved having her to our home for meals and over nighters and for birthday gatherings and special landmarks in Bryna's life. We lost touch... however, a special place lives in our hearts for this wonderful faithful lovely child of God. You gave us your love and now you rest in PEACE in the arms of your Lord and Saviour.*
