“ My condolences to Gail, Neal, Todd and Lane and your families. Lola was a great lady and a pleasure to work with. She and I would go to Jazzercise together and I always remembered she coined the phrase "snausage"s to me on describing her fingers after walking every morning! She had a great sense of humor and was a good friend. Although I haven't seen her much in the last 25 years I never forgot her. May she rest in piece.
