“ I don't know what made me look at the Rochelle paper today, but I saw Marilyn's obituary. I have so many memories of her starting from church when I was 11. She was a good friend, mentor when I was young, and I treasure these memories. Bless you Diane as you deal with all this.

“ Marilyn to say I'm heart broken would be an understatement, I feel like I just seen and talked you. I will miss our late nite talks at work and miss hearing about your amazing life. I hope you are resting peacefully in the arms of God now.
