“ Dear Mark,

We were so sorry to find just now in today's newspaper that our wonderful good friend & neighbor - your mom - had passed away. It makes us sad to realize how your little family circle has become so decimated over the years since we became neighbors with you way back in the 70's. We empathize with you and extend our heartfelt sympathies to you.

Many times do we remember long chats & discussions with Marj across our back yards admiring the beauty of flowers & garden plants that God enabled us to grow there. Despite her inability to hear us clearly as she aged, we still discussed a multitude of topics! We could hardly tear ourselves away to go back to our yard chores or to our respective homes.

May our good Lord be with you. We have always enjoyed having your mom as our neighbor.

*Sincerely, with our condolences,
Kevin & Monna Bergdall*
