“ I met Mark (mi tokayo) almost 4 years ago in Virginia (work), and instantly we clicked as friends. He was my Design Checker in VA for more than a year, then I moved onto Arizona, and asked Mark to come and work with me as an Aerospace Engineering Checker, and the rest is history! Mark and I have been great friends/co-workers since day one, had MANY great times/laughs together. Many in AZ know him as the "Devine Checker" or "The Goose", but ALL know him as the guy with the biggest heart. Mark touched many lives/hearts here in AZ, and will be missed DEARLY. God's Speed my friend!...I will see you again in this life...or the next!
