“ I have so many wonderful memories of Martha and our "adventures." She was such a good friend to me. My heart just aches at the loss of my dear friend. My most cherished memories are of our trip to New Orleans. That was quite an adventure. I will never forget seeing her in a Rastafarian hat with dreadlocks. She had a great sense of humor. I will always remember her laugh and smile. I miss you dearly my friend.

“ Martha was such a giving lady. She knew that I had a love for shoes and for Elvis. For my birthday 2 yrs ago, she gave me a really neat shoe calendar and later, she gave me an Elvis teddy bear that she actually brought home from Graceland. I'll treasure them always.

“ Martha always had a smile on her face and she had a way of comforting people with her kindness and warm heart. She will be greatly missed by lots of people that care about her. I will never forget how much she loved my hair when it was purple and she always wished her hair was purple, and I was happy to see postings on Facebook with her hair dyed purple :) She will forever be in my heart as she was and always will be a dear friend to me. I love you Martha, and may you finally be at peace in heaven with God for all eternity. You'll never be forgotten.
