“ *I love you, Cuz! I will miss you. I will miss your huge heart! I have such fun memories with you: our grandparents' 50 wedding anniversary, Jeremy's 13th birthday at Great America, hearing about Lithuania from Uncle Joe and Aunt Mable with you. I am also sadly relieved. Though you died young, you are no longer in pain. I hope you're catching up with your parents! Give them a hug for me!*

*Luv ya!

“ *Tim and Jeremy, I am so sorry. My heart aches for all of you. She loved you and her grandkids with all her heart. I can't believe we met when she was 15 and I was 19 we had alot of memories together and I'll never forget her. We had kids the same year. We we're always there for each other. I'm proud to call your mom my BFF. Even though it's been awhile since we've talked we could pick up right where we left off. Take care of yourselves and I'm here if you need anything. Love you Wendy*
