“ We were so sorry to hear about Maureen - she was a wonderful woman & incredibly supportive of 4-H kids. She worked hard with the county dog obedience program. Our son, Mark, did dog obedience for several years as well as raising a leader dog for the blind. He also rode Smokey pony under her instruction. When we told Mark about her passing he said he had very fond memories of her and how she helped him in 4-H.

Without her invitation

I know there are many more

Maureen's invitation.

Fondest Memory...as our
Therapy Chair, she didn't
trust German Shepherds,
but gave me the best
compliment ever when
she let my Shasta be the
1st FCDTC German
Shepherd Therapy Dog.
One of my proudest moments.
