“ *Melvin was always good to me , and when I was on my own for several years he would load up his mower on his truck and mulch the leaves from my over sized yard . He would never take any money for this either !*

“ *When I was about 10 years old Melvin taught me to never speak to adults using bad language, especially when it was directed at him! He had a special way of getting his point across. It worked, I never made that mistake again.*
