“ Mindy Hollingsworth was such a great loving person, and the most caring person I ever knew. She took me in as her own kid and raised me for 2 years now. Nobody really knew I was around in the family but she knew how important I was to her and she was to me. I always called her my mom. I could always go to her if I needed anything and she would always be there. She always thought of me as her daughter and I will always be known to her as "baby bear". She was truly something special. I will always love her just as the mom she always was to me.

“ *Mindy Ann was a special young lady who always put everyone else before her. We loved her so much, we were so proud of her as a daughter, and the mother she became. She was our baby girl, we will miss her bright eyes, and sweet smile everyday. till we meet again*

“ *Mindy was the best mom I have seen in a long time. Not only to her 3 boys but to other kids as well. She went above the call of her duties. I know she will be missed dearly by all that knew and loved her. Mindy take care of all the children up in heaven. I'm sure Jesus could use your help, and I know you will love them as you loved your own.*
