“ To the Patrick’s family, I AM sending my deepest sympathy & heartfelt condolences during the loss of your loved one. My son Dominick worked together with Patrick at Franklin, and he is truly missed at Franklin. WE are saddened and he didn’t deserve that...just like my Nephew Mark Barmore didn’t deserve being killed by RPD officers in 2009. I pray that you will take each day at a time towards healing, but it will be a long process to never stop in your fight for “Justice For Patrick” because he was a hardworking young man that didn’t die in vain. My son is not the same right now, and I feel all of the co-workers hurt and pain with Patrick’s physical presence being gone. I will keep you in my thoughts & prayers, that God will give you all comfort, strength, and peace of mind at this devastating time. ~Odessie Barmore
