“ I am so sorry to hear of your Mom's passing. We had some wonderful times bowling and traveling around the US. She always spoke her mind and told the funniest stories about working security. I know our Moms are have a good time together!

“ I've known her my entire life. I used to watch her and grandma bowl on their leagues together. I also used to go down to the snack wagon and eat nachos with her. She called me her little nacho buddy. I will miss her laugh and presence dearly.
